This counselor cannot be held responsible for the confidentiality of records released in this way.)***

Please note that exceptions to confidentiality are extremely rare; however, if one should occur, it is my policy whenever possible, to discuss with you any action being considered. Legally I am not obligated to seek your permission if I need to secure your safety or the safety of others. If disclosure of confidential information does become necessary, I will release only the information necessary to protect you or someone else. Texas Law requires

### **RECORD KEEPING**

If I, Pat Gossett, MA, LPC, terminate practicing as a counselor, it will become necessary for another counselor (to be determined) to take possession of my files and records. Should that become necessary, by signing this Agreement you are giving me your consent to allow another licensed mental health professional selected by me to take possession of all your records.

**Initial here indicating you have read & understand the above section** \_\_\_\_\_

### **FEES / LENGTH OF SESSIONS**

My fee per session is one hundred twenty dollars (\$120.00) payable by cash, acceptable credit card, or check and is collected at the beginning of each session. Each session duration is 55-60 minutes. Arriving at your appointment on time will allow you to take full advantage of the allotted time.

I accept a limited number of insurance company assignments. If I am a provider with your insurance carrier, I will file a claim for the reimbursable amount with your carrier. You are responsible for payment of your portion at the time services are rendered. If your carrier requires that you meet a certain annual deductible dollar amount and you have not met that amount, you will be charged at the provider reimbursement rate of your insurance carrier per session at the time of your session. **Be aware, I file insurance for clients as a courtesy. You are responsible for any and all charges for each counseling session appointment, regardless of insurance coverage. Any disputes with payment from your insurance carrier are your responsibility and payment for sessions will default to you.**

Insurance companies require that a diagnosis be given regarding your mental health before they will consider for payment any claim submitted by a medical professional for services rendered. Any diagnosis made will become a part of your permanent medical records. Upon your request I will inform you of the diagnosis code(s)S that will be submitted for you to your insurance carrier.

You are responsible for keeping your scheduled appointments. When you set your appointment, that time is reserved just for you. If you are unable to attend your appointment, I require **at least a 24-hour** cancellation / reschedule notice. This notice offers me the opportunity to give that appointment time to another client. **The cost for a missed appointment of cancellation of less than 24 hours is my full session fee of \$120.00. (Be aware that I cannot bill insurance for missed appointment and you are fully responsible for this charge.)**

If I am subpoenaed by either a client or client's legal representative, the following fees apply:

- In person subpoena:
  - Preparation time (including submission of records): \$ 120.00 / hr (\$60 min chg)
  - Phone calls \$ 120.00 / hr (\$60 min chg)
  - Depositions: \$ 120.00 / hr (\$60 min chg)

- Time required in giving testimony: \$ 120.00 / hr (\$60 min chg)
  - Mileage: \$ 1.00 per mile
  - Time away from the office due to depositions or testimony (in addition to above charges): \$ 120.00 / hr or portion thereof
  - All attorney fees & costs incurred by me as a result of this legal action: TBD
  - Filing a document with the court \$ 120.00 per occurrence
  - Minimum charge for a court appearance \$2500.00 per occurrence addition to other charges listed above and is payable at least 48 hours prior to the court date.
- If the costs for the testifying process exceed the amount of the retainer then those fees will be billed to the client and/or their legal representative.
- Client records subpoena:
    - Preparation time for treatment summaries or production of other new documentation: \$ \$120.00 / hr billed in 15 minute increments
    - Printing costs \$ 75.00 for the first 20 pages, \$.50 per page thereafter  
**Initial here indicating you have read & understand the above section \_\_\_\_\_**

### **EMAILS / TEXT MESSAGES / TELEPHONE CALLS**

Please limit text messaging and emails to matters having to do with scheduling of appointments or billing issues and save all other matters for discussion during your scheduled session time unless I have personally instructed you otherwise in special circumstances. Any emails, texts, or phone calls that concern counseling matters will be billed at \$30.00 per quarter hour with a \$30.00 minimum.

**Initial here indicating you have read & understand the above section \_\_\_\_\_**

### **OFF HOURS EMERGENCIES**

If you experience an emergency requiring immediate action during hours that I am not in the office, you are instructed to call 911 or go to your nearest medical emergency facility for assistance.

I do not return any client communications on Sunday. Crisis management calls to me will be brief and aimed at stabilizing the situation for processing at your next scheduled appointment. Calls will be billed to you at the rates designated above.

**Initial here indicating you have read & understand the above section \_\_\_\_\_**

### **THE COUNSELING PROCESS AND PROFESSIONAL RELATIONSHIP**

Please be aware that my counseling is based on Christian, Biblical values. Because individuals and issues vary, length of treatment is hard to determine ahead of time. Some clients need only a few counseling sessions to achieve their goals, while others may require much longer. Please note that it is impossible for me to guarantee any specific results regarding your counseling goals. There is a chance that you will feel worse before you feel better. During the counseling process your level of awareness may increase causing some emotional distress and/or anxiety. Furthermore, you may experience changes that could result in lifestyle and/or relationship disruptions or turmoil. Together, we will work to achieve the best possible results for you.

You can expect that therapy will end when you have received the maximum benefits or obtained what you were seeking. You have the right to end the counseling relationship at any time. I would hope, however, that you would discuss this decision with me first. If you or I feel you are no longer benefiting from our time together, we will end the counseling relationship by mutual consent.

You are best served while I am seeing you for counseling if our relationship stays strictly professional and if our sessions concentrate exclusively on your concerns. Our contact will be limited to sessions you arrange with me. Please do not invite me to social gatherings, offer me gifts, or ask me to relate to you in any way other than in the professional context of your counseling sessions. If I should run into you outside the counseling office, I will not acknowledge you unless you first acknowledge me. This is in order to protect your privacy regarding our professional relationship.

**Initial here indicating you have read & understand the above section \_\_\_\_\_**

If you have any complaints, please discuss them with me. If you are not satisfied with the resolution of the problem you have the right to call the Complaints Management & Investigations (1-800-942-5540, or write to Texas State Board of Professional Counselors, P.
